Round up of events:

Burning to Plan Workshop

The forum was attended by 14 landholders from across the state many having Conservation Covenants on their properties.

Thanks to Gill, Garth, David and Sam from the Red Hot Tips Program and Anna Povey from Tasmanian Land Conservancy for facilitating an informative day.

Beechford Coastal Walk and Talk

We had an overwhelming response with 75 community members joining in the walk and talk.

Thanks to Eric Woehler, Kay Bailey, Conservation Volunteers Australia, Beechford Community Group, George Town Coastal Community Management Group.

Tamar NRM is proudly funded by the City of Launceston, George Town and West Tamar Councils
